TECHNICAL DATA SHEET

SODIUM METABISULPHITE Food Grade

1 . Introduction

Product	CAS#	Chemical Formula
Sodium Metabisulphite	7681-57-4	Na2S2O5

2 . Application

Leather Treatment , Photograph , Specialty Chemicals, Dye & Intermediates, Effluent Treatment, Metal, Cleaning Chemical, Food Preservatives, Pharmaceutical Industry, Laboratory Chemicals, Textile Industry, Oil Field Chemicals, Paper Mills, Agro Industry

3 . Specifications

Item	Specification
Physical Appearance	White crystalline powder
Assay as SO2% by Mass	65% Minimum
Assay as Na2S2O5 % by mas	99% Minimum
pH of 5% Solution	4 to 5
Clarity of 10% Solution	Clear
Insoluble Matter	0.1% Maximum
Iron (asFe)	30ppm Maximum
Heavy Metal (as Pb)	3 ppm Maximum

Shelf life: 12 months from date of production

4 . COMPATIBLE USES

Human nutrition, Cosmetics
This product is a human food additive (Regulation 1333-2008-EC) and meets the purity criteria defined by the Regulation 231/2012/EU and its amending acts.

5 . Package

PP outisde plastic bag, PE inside plastic bag, 25Kgs per bag
Or multiply paper carton drum and 1000Kgs Big Bag

6 . Storage

Keep in tightly closed original sealed packing in clean and dry place, away from direct sunlight and water
